

## How to Obtain a Proficiency Badge?

- 1) Refer to the SJI Proficiency Badge Scheme in [here](#).
- 2) Download the Scout App or refer to the pdf in [here](#).
- 3) Read the requirement(s) for the specific proficiency badge **carefully**.
- 4) To work for your badges;
  - a) Type out your report and print **hard-copy**.
  - b) Present **hard-copy** version of certificate or any other evidences.
- 5) For badges that require a certificate;
  - a) Check that the achievements on the certificate match the requirements **according to Scout App**.
  - b) Having a Bronze Cert for Swimmers may not mean Swimmers I; if the achievements on the Bronze Cert meet the requirements for Swimmers III, you will be able to get the 3rd division instead of the 1st.
- 6) Approach an Adult Scout Leader to seek his approval for your work. He will decide if your work is able to fulfill the requirements for the badge or not. **Do not argue your way through**.
- 7) Bring along your **hard-copy certificates and report**, as well as your Progress Booklet, when meeting a teacher.
- 8) You will receive the Proficiency Badge as soon as he signs it. A ceremony would not be necessary for you to attain the badge.
